**Ode to a Tropical Smoothie Supreme**  
(with Straw and Strawberry on the Side)

1.

I met a drink on a beachy shore,  
With mango dreams and pineapple core.

2.

It winked at me with coconut cream,  
And whispered, "Sip me, live the dream."

3.

A straw stuck out like a silly hat,  
Bending left, then right, then flat.

4.

It twisted once in a noodle shape,  
Like it escaped from a smoothie escape.

5.

Beside that straw, with such great pride,  
A strawberry chilled on the frosty side.

6.

It wore sunglasses, way too cool,  
Floating like royalty in a pool.

7.

"Hello," it said, in a fruity tone,  
"You're not the first to call me scone."

8.

I blinked and stared with wide delight,  
Was I hallucinating in the light?

9.

The smoothie giggled, "Don't be shy,  
I'm not just pretty—I'm mango-fly!"

10.

It danced in my hand, I swear it did,  
Even moonwalked like a juicy squid.

11.

Its banana jokes were extra smooth,  
Each punchline came with a tropical groove.

12.

"I'm health and joy in every drop—  
Except when blended non-stop."

13.

The blender, it seems, was slightly rough,  
"I lost a cherry, it got too tough!"

14.

Papaya chunks joined in the cheer,  
Cheering, "Chug us, friend, we're the flavor of the year!"

15.

The lime said, "Zest is what I bring!  
Don't forget, I'm the citrus king."

16.

And passion fruit? Oh, drama queen—  
Sighing loudly in every scene.

17.

"Don't mind her," said the straw with flair,  
"I'm the bendy star, beyond compare!"

18.

So I raised my cup and took a sip,  
Fell into a pineapple daydream trip.

19.

Suddenly dancing with a kiwi bear,  
On a beach with smoothie in my hair.

20.

So cheers to drinks with fruit and pride—  
And the strawberry chilling on the side!
